Soft Luxe™: Seat Cushion System with Bolsa™ Coils

- Constructed of high-density fortified steel springs encased in fabric
- The top and sides are wrapped in 2.6 (HR) high-resiliency foam
- 21% less seat cushion breakdown when compared to normal seat foam
- Each Bolsa™ Coil flexes independently and adjusts instantly to optimize body contouring and support.
- The barrel-shaped coils offer luxurious softness and firm support that responds to applied weight.
